Memorandum to: International graduate students

From: Charles Roth, Graduate Director

Re: Instructions for Reduced Credit Form

International students who are registering for fewer than 9 credits must have justification for doing so and submit the Reduced Credit Form to the Center for Global Services. To obtain my signature on this form, you must do the following:

1. Use this version of the form, which is pre-filled with my information at the end.
2. Complete all of the information in Section I
3. Do not fill in Section IIB. However, you must provide me with this information on a separate piece of paper or sticky note, and I will review it. Note that the first question asks about course work (that is just the classes) and the second question asks about all degree requirements, including thesis or dissertation as appropriate. The diploma date must be one of (January, May, October) for a particular year, and completion of all degree requirements can be set as the thesis/dissertation deadline date corresponding to the diploma date (see http://gsnb.rutgers.edu/academics/how-apply-degrees)
4. Likewise for Section III, do not complete it yourself, but provide me with the information on a separate piece of paper or sticky note.
5. Indicate on p. 2 the reason for reduced credit load. The most common reasons are:
   a. Post-qualifying doctoral students who have completed all required course work and research credits and are still engaged in dissertation research and writing. Students must register for one credit.
   b. All doctoral students who have completed all their course work
   c. Master’s students who have completed all course work and are now engaged in thesis research; MS thesis students
   d. Final semester before graduating: ME students and non-thesis MS students, when fewer than 9 credits remain
6. Attach to your form a current hard copy of your transcript.
7. If you have questions about which is appropriate, you can ask me or the Center for Global Services.
8. You may drop the form in my box in the Chemical & Biochemical Engineering office. I will review the form, sign, and put it into the “outbox” on Lynn’s desk that is for student pick-up.
REDUCED CREDIT/COURSE LOAD FORM

STUDENTS MUST SUBMIT THIS FORM TO THE CENTER PRIOR TO DROPPING BELOW FULL TIME. FAILURE TO DO SO VIOLATES FEDERAL REGULATIONS AND JEOPARDIZES THE STUDENT’S LEGAL STATUS. WE WILL CONTACT YOU WITHIN 1 WEEK OF SUBMISSION OF THIS FORM IF THERE IS A PROBLEM.
